

Genesys Foundation 32nd Annual Charity Classic

Monday, June 16

8 a.m. Registration

9 a.m. Shotgun Start

Warwick Hills Golf & Country Club

Grand Blanc, Michigan

It's more than just playing golf

This year's Charity Classic will benefit Henry Ford Genesys Hospital's Cardiovascular Program. Proceeds will support the purchase of two Sonosite ultrasound machines for the Cath Lab.

This ultrasound technology allows physicians to ensure safe, efficient access to images and will significantly improve patient care. These machines enable clinicians to perform bedside ultrasounds to provide immediate diagnostic information which will allow for faster treatment plans and fewer complications. The portable user-friendly design and ability to guide physicians in real-time procedures will enhance patient safety during emergency medical treatment or surgery.

**Thank you for making
a difference!**
