## How to get to the Cancer Pavilion - Construction Update

Starting in June, some roads will close and traffic patterns will shift around Henry Ford Cancer-Detroit. Please use the below map and look for directional signs to help you get to your appointment. You may want to add extra travel time until you are used to this change.

**If you're traveling West on W. Grand Blvd.** (coming from the Lodge Freeway): make a U-turn just past the Cancer Pavilion. Turn right on West Milwaukee, which is the corner with Kentucky Fried Chicken (KFC). Then turn left into the cancer pavilion driveway to access the self-parking garage, valet or patient drop-off.

**If you're traveling East on W. Grand Blvd.** (coming from I-96): turn right just before the Cancer Pavilion on West Milwaukee, which is the corner with Kentucky Fried Chicken (KFC). Then turn left into the cancer pavilion driveway to access the self-parking garage, valet or patient drop-off.

## Parking

Easy self-parking is available in the parking deck attached to the Cancer Pavilion.

- Enter the parking deck off West Milwaukee St.
- At this time, there will be no charge for the parking deck. Simply push the button to “get a ticket” and enter.
- You can park on any floor and there is handicap parking near the elevator on each floor. The parking deck elevator is located at the northeast corner of the parking deck. Take these elevators to the 1st or 2nd floor to enter the Cancer Pavilion.

## Patient pick-up/drop-off and valet

- Patients can be dropped off and picked up at the main entrance of the Cancer Pavilion. The driver must then proceed out onto W. Grand Blvd. and loop back around to W. Milwaukee to park in the garage. Wheelchairs will be available.
- Valet is also available at the main entrance. Valet costs \$10.

## Building entrances

Patients and visitors may enter the Cancer Pavilion at one of three external entry points:

- Main entrance under the canopy at 1 East
- Parking deck entrance at 1 East
- Parking deck entrance at 2 East
