What if I have difficulty registering for a class online?

Sometimes, students run into difficulty registering online. If that is the case, you may call (248) 325-2548 for assistance. However, if you have repeated issues registering online, we cannot assist regularly.

What if I am unable to sign myself up online, and I am uncomfortable providing my credit card information over the phone?

The only way to register for the class is online. If you are unable to register yourself, and do not wish to give your credit information over the phone, you may consider asking a trusted friend to register you.

Can I show up to class without paying?

Registration for class should occur before showing up to class. Please call (248) 325-2548 if you need assistance registering before class.

How can I cancel a class I registered for?

Cancellations may be made at least 24 hours in advance of the class start time by calling (248) 325-2548. We apologize but refunds cannot be given for cancellations under 24 hours.

Can I register for a class but change my mind and go to another class instead?

We ask that if you decide not to attend a class, and it is over 24 hours in advance, that you call (248) 325-2548 to cancel. Then you are welcome to register for a different class of your choosing.

What if I registered for me and a friend, and my friend backed out. Can I bring a different friend other than the name I registered?

Yes! If two of you are registered, any two can show up to class. However, if you need to cancel one of the spots, and it is at least 24 hours in advance of the class start time, call (248) 325-2548 to cancel.
